2007 CORA Cup

The **CORA Cup** is awarded annually to the club with the most points in the races designated as the CORA Cup series.

To qualify for the CORA Cup Series:

- To be considered as a Series participant and thus be eligible for Series awards, teams must race in a minimum of three (3) series races, out of a possible 5/6, including the Canadian Championships
- Only CORA clubs will be counted in the series
- Crews must register as a club — not as a combination with another club

Scoring Points

Teams get points in each race based on the finishing position amongst CORA crews in race categories (Men/Women's Open, Masters, Senior Masters, Golden Masters, Junior, Mixed). Throughout the Series, points are added together. The final award is based on the best three (3) races. The top placed team(s) per club, across categories are tallied for the grand total. Rankings will be posted after each event on the CORA website.
